Small Business

Lyme Computer Systems was founded in 1983 as a small, woman-owned, full service computer reseller that caters to federal, state, and municipal governments as well as educational institutions and government prime contractors. As of December 2008, Lyme is a 100% ESOP (Employee Stock Ownership Plan) **small business**, and we are able to draw on our many decades of experience and strategic relationships to excel in this very competitive global market. Our mission is to provide our customers with high quality computer hardware, and software solutions

at extremely competitive prices. Our customer service is second to none and total customer satisfaction is our ultimate goal. We strive to be the preferred source for all our customer's computing product needs.

We maintain a "single point of contact" philosophy where the sales representative handles all customer related issues, from pre-sales support to recommending products, quoting prices, order fulfillment, invoicing, satisfaction follow-up, to post-sale support and customer service issues. Each sales representative services a small number of customers in order to provide extraordinary customer service. Our sales reps are supported by our manufacturer-trained and certified technical staff that is always available for technical consultation.

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through GSA Advantage!: <http://www.gsaadvantage.gov>
